COMMENTS:

This bill would amend the Bagley-Keene Open Meetings Act to provide that a state body shall provide notice of its meetings, certain findings of special meetings, and the minutes from emergency meetings on the Internet.

The April 27, 1999, amendments made technical language changes substituting "Internet site" for the term "website."

In addition, the amendment specified that this bill would not be implemented until July 1, 2001, unless otherwise provided by the Department of Information Technology.

Except for these changes, the department's prior analysis of the bill as introduced February 26, 1999, still applies.
